Carlos Cahiz, OFE International

“What Kind of Supplies Do I Need and How Do I Use Them”

We are pleased this month to have as our speaker Carlos Cahiz. Carlos is the owner of OFE International, Inc. an orchid supply house that most of us are very familiar with. And if you are not, you need to be!

Carlos will be presenting a program that is an introduction to orchid growing supplies - from potting mixes to fertilizer to twist ties, and everything in-between. Carlos will be bringing actual samples of orchid growing articles and he will explain how to use them. The orchid products will include fungicides, fertilizers, insecticides, baskets and pots, tree fern and various orchid mixes, growing media, sprayers and clippers.

Carlos was born in Valencia, Venezuela and graduated from the University of Kansas. He has worked at OFE, a family owned business, for the last nineteen years. He is married with a seven year old son, two adopted dogs, a rescued parrot, and a turtle. He shares his backyard with the family's orchids, ferns, their guest lizards, frogs and possums.

Carlos has a favorite orchid phrase “Tender neglect” and his favorite orchid is one that is “in bloom”.

OFE Orchid supply will provide the raffle table which will consist of plants and supplies. Carlos will also have orchid supplies for sale.

The East Everglades Orchid Society Welcomes You to the World of Orchids

The goal of our society is to educate ourselves and the general public in the classification, evolution and propagation, culture, care, and development of the cultural and economic importance of orchids; and to support the conservation of this fascinating group of plants.

Membership is open to anyone who is interested in the objectives, aims, and purposes of the E.E.O.S., Inc.

The East Everglades Orchid Society meeting begins with an educational mini-class at 7:15 pm followed by the general meeting and program at 8:00 pm on the **FOURTH TUESDAY** of each month. Our meetings are held at the

**University of Florida
Miami-Dade Extension Bldg.

Message from the President

Dear Members:

We just got done holding our Annual East Everglades Orchid Society Show, and if I do say so myself, IT WAS GREAT!

Our Vendors were happy, the customers were happy, and our hosts, Bob

Fuchs and Michael Coronado at rf orchids were happy! A full report will be printed in next month's newsletter, but suffice it to say, if you missed the show, you missed a good time and lots of good orchids!

It's the time of year to think about filling board and trustee positions. We will be in need of a new Vice-President next year. If anyone is interested in helping our society in this capacity, stop and talk to me or to Valerie Leonard who is heading our Nominations Committee. She can explain to you what the job entails and tell you about the fun we have at a board meeting!

Our speaker this month is Carlos Cahiz of OFE. I know you may think you know about orchid supplies, but you may be surprised at what you don't know! Come and learn!

See you at the meeting!

September Judging Results

My thanks to all of you who brought plants in to our show. We had several members bring plants to our exhibit, the COS exhibit, and also for individual judging. In addition, we had one member's plant receive an AM/AOS from the AOS judges! How great is that!

I will be out of town on our meeting night, but Valerie Leonard will be taking care of all the ribbon judging responsibilities. Please bring your plants in and I'll see you next month!
