

EEOS Show Judging

Thank You Eduardo Marcellini and his team of hard workers for our Exhibit at the EEOS show. Our Exhibit won **2nd Place** for all **Societies** that entered and put in a display. **Lynn Corson** received a Red Ribbon for her *Bulbophyllum fascinator*. Helpers that donated their time and expertise were **Kim Belisle, David Schaffter, and Donna Taylor**. We had very few orchids to choose from our members, so we had to borrow some orchids for the exhibit. Members who bring orchids receive double points for ribbon awards.

Next month will be our last ribbon judging for the year, so get your orchids ready for our final judging session of the year.
