

August 2026 Judging

We had a ton of Cattleyas this month. Our green thumbs are amazing! There were so many different genera presented at our meeting, including a Habernaria, which is supposed to be very difficult for us to grow. Good on you, Judy! Your judges can't wait to see what you're going to bring in this month!

Judging Results

Vandaceous Group: Entries: 5

1 st	Vanda Jackson	Lynn Corson
2 nd	Papilionanda Ambrosian Twinkle	Alan Smith
